Relaxation and privacy just as you've always dreamed.

From June 16th to September 14th, the wind caresses the dunes, the sea whispers in the background, and nature envelops everything in a regenerating silence.

Welcome to Ethra Beach Club, a peaceful retreat nestled between the pine forest and the crystal-clear sea. Here, relaxation is a way of life, defined by comfort, tailored services, and harmony with nature.

Immerse yourself in the elegance of soft colors and refined spaces. Stretch out on a spacious Bali bed, surrounded by privacy and tranquility. Rest on soft mattresses and fresh beach towels.

Our staff will take care of you with discretion and attention. A hostess will welcome you upon arrival, and a dedicated waiter will be ready to fulfill your every wish. A refreshing drink, a light yet refined dish—everything served in your personal relaxation corner.

Breathe in the scent of the Mediterranean vegetation. Listen to the sound of the sea. Savor every moment.

Ethra Beach Club is an experience to enjoy with all your senses.
