#### **MODIFICATION/CANCELLATION RESERVED FOR BLUSERENA**

It is recognised that Bluserena, even during the season, has the right to close, reduce the capacity and/or delay the opening of the booked property for reasons related to possible pandemic events as well as other extraordinary events constituting force majeure, such as, but not limited to, other pandemics, virus or bacteria actions, wars, fires, governmental, legislative or administrative authority measures. The parties agree that in such cases Bluserena may, at its discretion, propose the following measures:

(I) reProtection in another Bluserena structure; (II) voucher of the full amount forfeited by Bluserena with validity until 31.12.2025, usable at Bluserena structures; (III) reimbursement only of the amounts forfeited by Bluserena. The Guest, after careful evaluation, declares that the solutions adopted in such circumstances, if implemented by Bluserena, will be to his liking, thus delimiting the alternative object of the contract in case it is not possible or excessively onerous for the Hotel to perform the main service for the aforesaid causes, and accepts such determinations after conducting suitable negotiations. He therefore waives all other claims, including for compensation. Also acknowledged to Bluserena is the right to make changes to the services described in this document, should it be prescribed by the authorities in charge due to emergencies related to pandemic events or in other cases of force majeure, or in any case, at the discretion of Bluserena where the exact execution of the contract may determine serious risks of contagion or other forms of danger to the health of the Guests, or cannot ensure their safety, or that of the employees, or if the execution of the contract, although abstractly possible, in the presence of the aforementioned risks and of the necessary measures to be taken to safeguard them, would determine an excessive burden on the Hotel in the absence of the aforementioned changes.

#### **REPROTECTIONS**

In the case in which, for whatever reason, Bluserena is not able to supply the accommodation and/or in the case of overbooking of the structure, Bluserena can, at its own expenses, rebook the reservation to another structure, its own and/or of another company, with at least the same hotel classification, without Bluserena incurring in responsibility and/or charges of any kind.
